

Minutes of Meeting(MOM)

Seventh Meeting with Client
Team Number - 39

Attendees

- Prakash Yella (Client)
- Pravin Kumar (Mentor)
- Bhaskara Rao (Mentor)
- Mayank Mittal (2022101094)
- Bassam Adnan (2023121003)
- Shivam Mittal (2022101105)
- Manan Garg (2022101109)
- Uday Bindal (2022114015)

Meeting Details

Date: March 30, 2024

Time: 12:30 PM

Duration: 45 minutes

Location: Maker's lab in Vindhaya A4

Topic: To show the implementation done so far to the client and seek guidance for the future implementation.

Summary

1. Clarified doubts about the login, signup, forgot password, reset password features and got to know that he will be sharing the design for the same. **[Information]**
2. Showed the complete implementation done so far to the client and received the feedback for all the functionalities implemented in broader terms. **[Information]**
3. Received the feedback of Chatbox where we are supposed to add icons for the chat and store and display the chat history in the Case sheet. **[Task]**
4. Got to know that we will be using the API provided for querying and we do not have to work on the model. **[Decision]**

Future Plans

1. Modify chatbox as mentioned by the client so that a distinction between message by the Doctor and EMT/Document query can be observed.
2. Modify the Vital Page such that it shows the prescription provided by the doctor to the patients.
3. Add a button in the chatbox which, on clicking will store the message in Vital page.

Next Meeting Plan

Date : 6th April 2024

Goal : To show the further implementation which includes modification of chatbox and vital page along with backend of document query and receive feedback for the same.
