Minutes of Meeting(MOM)

Third Meeting with Client

Attendees

- Pravince Kumar (Mentor)
- Shivam Mittal (2022101105)
- Mayank Mittal (2022101094)
- Manan Garg (2022101109)
- Uday Bindal (2022114015)
- Bassam Adnan (2023121003)

Meeting Details

Date: February 14, 2024

Time: 16:30 PM

Duration: 30 minutes

Location: Maker's lab in Vindhaya A4

Topic: To further discuss the design implementation and to show the basic implementation of our design.

Summary

1. Showed him the initial implementation of the left sidebar and took mentor's feedback on it. **[Decision]**

2. Discussed about R1 and R2 and their release date. **[Information]**

3. Mentor said that design will be finalized by next week and we have to do side by side basic implementation of it. **[Task]**

4. Cleared our doubts regarding UI interface and backend. **[Decision]**

5. Asked to learn GraphQL and React by Mentor as most of the project will be made by these languages. **[Task]**
   Deadline: Till we receive the whole design from the client.

Future Plans

1. Doing the basic implementation, covering backend and frontend simultaneously.

2. Learning GraphQL and React concurrently.

3. To show the Chatbox and other frontend part which mentor had instructed to do in the next client meet.

Next Meeting Plan

Tentatively after when client gives us the whole design part :
Most probally on 21st February,2024.
